

# Azure Dev Essentials for Teaching Signup information.

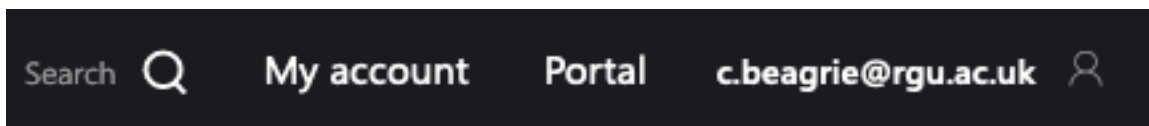

## Student Instructions

First Time signup:

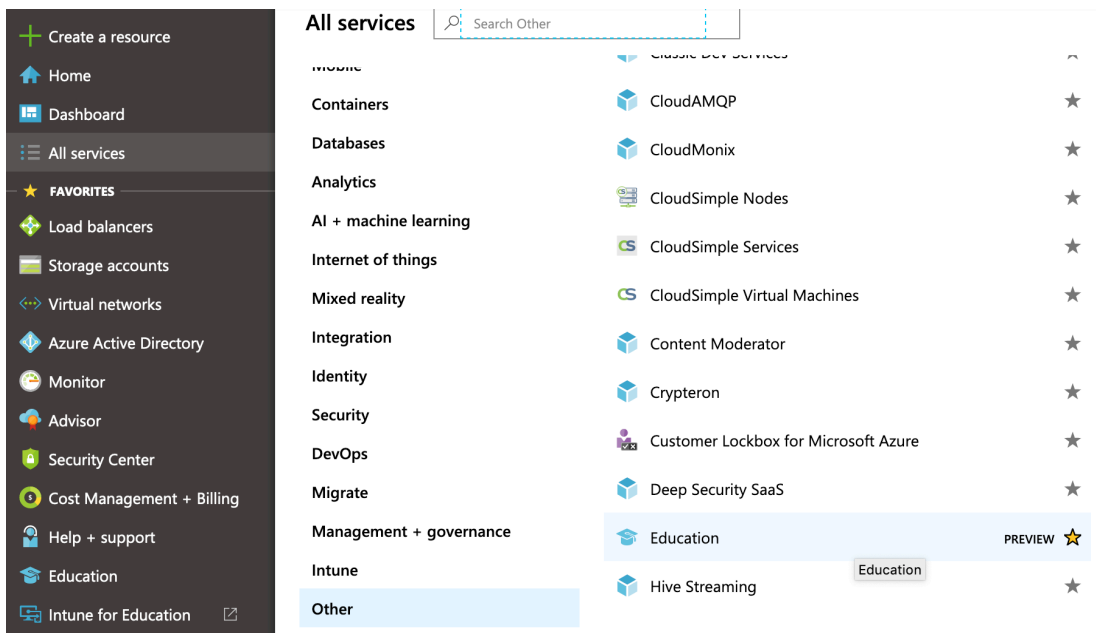

1. Open browser IE or Edge InPrivate browsing mode (Ctrl + Shift + P)
2. Access <https://signup.azure.com/studentverification?offerType=3/>
3. Sign in (blue button) with your RGU student ID and Password.

4. If the pop-up Windows shows – you will need to accept terms and conditions
5. You should now be on the Azure for Education Page. Click on the Portal link at the top right of the page

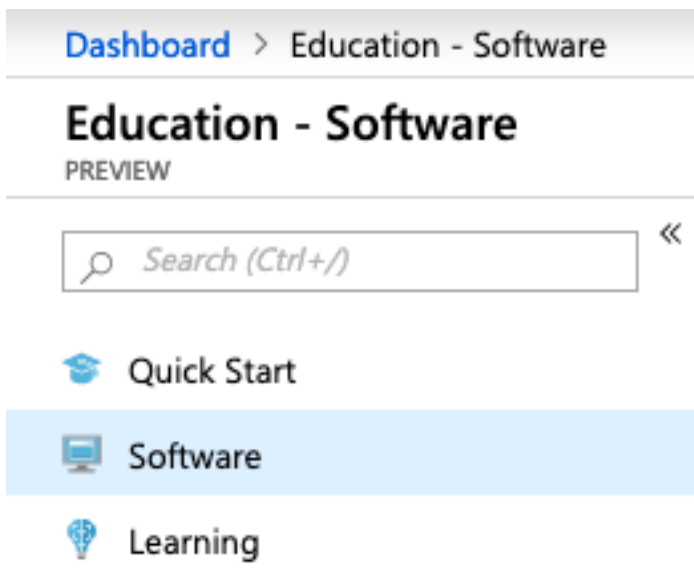

- Click on All Services on the left had pane. Scroll down the list of services and select Other. Scroll down the next list till you find Education.

Click on the Star on the right hand side to favourite it. It now appears on the left hand menu for finding again in the future.

- Click on the Education menu and the system should lead you to the Education HUB where it is required to click "Software" tab in order to see a list of software.

For subsequent logins, go directly to <https://portal.azure.com> to get access and then follow steps 3&4 above.
